

## **Members Update**

**I wish to inform our members that during these unprecedented times there have been changes to the Board.**

**Firstly, Bill Sutcliffe and Richard Goggin have had to stand down due to statutory requirements.**

**I would like to publicly acknowledge their contributions to the Board. Bill and Richard have been valuable members of the Board during the 30 months that they served.**

**As a result, David Cochran has been invited to join the Board, which I am pleased to announce he has accepted. We welcome David to our team.**

**David brings a wealth of knowledge particularly in relation to sporting management, which will be vital in the future.**

**Finally, I wish to thank every Board member for their efforts during these difficult times.**

**Regards,**
