

# Men's Bowls

- **Booking a Game**

You can book your (and others) game of bowls either on-line anytime or on the phone on the morning of the game. It is helpful to your selectors if they receive your booking the day prior to bowls day.

To book bowls on-line just use the attached "Book Bowls" link and fill in the details as requested. You will receive an email confirming your booking. You should retain this email as you can use this message to subsequently cancel your booking if required. There is also a remarks section to enable you to nominate partners, opposition, playing position, etc. If you are not on-line, you may contact either Trevor Siviour (0411 691 969) or Phil Roy (0418 278 697) and they will arrange your on-line booking on your behalf.

On bowls day you can ring or text 0413 897 990 between 10.00am and 11.00am to book (or cancel) your game. Please provide the selector with your name and tag number.

- **Championships**

At least three (3) weeks before the championship event the Bowls Secretary will place the booking sheet on the Men's Notice Board. This notice will show the time and date the entries for this event will expire and any special conditions of play which may apply. As early as possible after this expiry time, the Bowls Secretary will conduct a draw (witnessed by at one other person) and place the draw on the Men's Notice Board and will also notify the entries by email. By arrangement with your opposition and the Secretary, games may be played early (but not later).

- **Pennants**

The summary of our current Pennants dram is attached.

During the Pennants competition the selectors will select the teams for the next week and place these selections on the Men's Notice Board by no later than 4.00pm on Tuesday afternoon. These teams will also be sent by email to all members. To assist the selectors in organising the teams would you please respond as early as possible by indicating on the notice board (or by email) of your availability (A), availability going direct (AD) or not available (NA). If you are playing Pennants at home, each player still needs to book in on the "Book Bowls" link.
