Hi Members

An update for your information about what is happening at your club

Club information

It is with much regret that I have to inform all members that Richard Summerhayes has decided to resign as a director of the group due to personal reason. The board and I would like to thank Richard for all the work he has done for the group.

Following the easing of COVID restrictions, the club is in the final process of bringing back more activities, for the members and guest to participate in, which will in turn, bring more people to the clubs.

The Group has also applied for some government grants and are hopeful they will be approved, which will help with the cost of some much-needed work around the club.
